***Allowable Subject Matter***

1. Claims 1-20 are allowed.

2. The following is an examiner's statement of reasons for allowance:

None of the cited references in combination with other limitations of claim teaches or suggests an active matrix display device wherein the first inverter circuit and the second inverter circuit are supplied with a pair of AC voltages from the AC power supply lines, as disclosed in independent claim 1. The closest art (Sato and Hideo) disclose related devices, either singularly or in combination fail to anticipate or suggest these limitations obvious.

None of the cited references in combination with other limitations of claim teaches or suggests an active matrix display device wherein the memory circuit are supplied with a pair of AC voltages from the AC power supply lines, as disclosed in independent claims 8,14. The closest art (Sato and Hideo) disclose related devices, either singularly or in combination fail to anticipate or suggest these limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
